

Discover Adelaide

Adelaide... Welcoming... Stylish... Affordable

Sunday 25 to Thursday 29 April 2010

In the past seven years Adelaide's international student numbers have grown faster than any other Australian city. There are lots of reasons why – from the quality of our education institutions to the friendliness of the local community. Adelaide is also ranked as the most cost competitive city of its size in the world. Why not come and discover why Adelaide is the perfect destination for international students?

As well as visiting a wide range of Adelaide's premier education institutions, the Post-ANZA Adelaide Familiarisation Tour will give you the opportunity to experience Adelaide's pristine white, sandy beaches over dinner at sunset in the vibrant seaside precinct of Glenelg. You will be taken to the heart of the city, Adelaide's famous Central Market, and be tempted by the scents and sounds of the finest, mouth-watering regional produce, specialty shops and buzzing market atmosphere.

You will travel to Mount Lofty, Adelaide's highest peak, offering breathtaking views of the city and coastline, and soak up the German heritage of the Adelaide Hills region in historic Hahndorf. Get up close with Australia's cutest animals at Cleland Wildlife Park, and see why South Australia exports more wine than any other state in Australia on a winery tour through the picturesque vineyards of McLaren Vale.
