**Dear Supporter / Stakeholder,**

We welcome your interest in offering or supporting an agent familiarisation (FAMIL) tour before and/or after the **Australia New Zealand Agent (ANZA) Workshop**, February 29 – March 2, 2012 in Queenstown, New Zealand.

The event organisers are committed to supporting all participants and to helping each organising party recruit the numbers and types of agents preferred for their FAMIL tour.

This document outlines timelines and guidelines for arranging agent FAMIL tours.

All approved FAMIL tour options will be simultaneously published and offered to all (currently registered) agents by the organisers. This will ensure a “level playing field” for all participants.

All tour options and itineraries will be published via the event website at [www.anzaworkshop.com/for-agents/famil-tours.html](http://www.anzaworkshop.com/for-agents/famil-tours.html), as well as emailed to all event-registered agents.

Please call me at any time with any questions. Thank you for your support and interest.

We look forward to seeing you in Queenstown.

With kind regards,

Rod Hearps  
Convenor

## FAMIL tour guidelines

- **IMPORTANT NOTE:** Only schools attending the ANZA Workshop 2012 can meet and host agents who have joined ANZA related FAMIL tours. Otherwise non-registered schools could potentially access, and benefit from, agents that ANZA workshop registered schools have helped fund to visit this region. It is the ANZA workshop and its participants who are drawing the agents to this region at this time. FAMIL tour organisers who allow non-registered institutions to meet and host agents while on ANZA approved FAMIL tours will not be invited to offer ANZA FAMIL tours in subsequent years.
- The workshop organisers (ICEF & EdMedia) will not totally control and administer FAMIL tours, but will become sufficiently involved in the promotion of all tours, in order to ensure a “**level playing field**” for all event participants.
- All FAMIL tour proposals are subject to approval and acceptance by the workshop organisers. Non-approved FAMIL tours may not be promoted to ANZA workshop registered agents.
- FAMIL tour organisers may determine all logistics, conditions and costs associated with their FAMIL tour, including which agents are accepted to join, and which are not.
- Please contact Rod Hearps on +61 7 5545 2912 or [rhearps@icef.com](mailto:rhearps@icef.com) with any FAMIL tour or event related questions or requests, at any time.
